

# Request for Cooperation to Prevent the Spread of COVID-19 during Golden Week

## All Residents of and Visitors to Hokkaido

Please practice the following infection control actions

### When traveling or visiting home,

- Be sure to do **health checks**, and **pay attention to your physical condition**.

---

- If you are worried and want to take a test, **take the test before departure**.
  - Please make your reservations in advance, and check the hours for weekends and holidays.
  - Please check the HP (QR code to the right) for information about Free Testing Sites in Hokkaido.
  - Please check with each prefecture for Free Testing Sites outside of Hokkaido.

{ See the HP for more details. }

To travel safely and securely, please practice the  
~ **New Travel Etiquette** ~

- Make plans to avoid crowded places and peak travel times.
- Use stores and accommodations with third party certification.
- Wash hands and wear masks even after vaccination. etc.
