## 【Water, Electricity, Gas】

When a disaster occurs, water, electricity and gas supplies are often suspended. It might take a long time to restore them, but the people concerned are doing their utmost to return the utility supplies as quickly as possible. If you are without utilities, you should go to an evacuation shelter where water and meals are provided.

- Water and gas information varies by municipality. Please inquire with your municipality for further details.

## 【Evacuation Shelters】

If your house has collapsed or is about to collapse, you should seek refuge at the nearest evacuation shelter. There you can receive food and water, use the restrooms, as well as find a place to sleep and get the latest disaster information. The services are free and available for everyone, regardless of nationality.
